Creating a framework where compassion & social responsibility culminate into action, resulting in progress
ACKNOWLEDGEMENTS

The entire team of Move The Wheel Foundation wishes to acknowledge and appreciate the support, guidance, feedback and encouragement that it has received constantly by all our patrons & friends.

Though Contribution in Cash is very important for the functioning of an organization, it is equally necessary to make a special mention of the invaluable Contributions in Time and Contributions in kind.

We wish to take this opportunity to thank our very own Volunteer Team of Ms. Meera, Ms. Sirisha, Ms. Bharathi, Ms. Jyothi, Ms. Mallika, Ms. Sheeba, Ms. Kaumudi, Ms. Prathima, Ms. Sahithi, Ms. Gauthami and Ms. Sharada who were there at the school, mentoring the children and guiding the staff as Class Mentors for the whole year.

We are thankful for The ~Pankhudi Team led by Mr. Satya and Ms. Brinda for conducting the Basic English and Maths course. Their patience & perseverance are as amazing as their worksheets.

Also, we would like to mention Dr. Pawan (Dentist), Dr. Chaitanya (Dentist), Dr. Shanthi (ENT), Dr. Chandresekhar, Dr. Chendrayudu & Dr. Swathi for volunteering and conducting Medical, Dental & ENT camp for all the children of the school.

This space is dedicated to all the wonderful volunteers from Incessant Technologies, Microsoft and DIYA, who have spent many a weekend at the school, volunteering and conducting various events.

THANK YOU, EVERYONE

Looking forward for your continued support,
Sincerely,
MTWF Board of Trustees.
ABOUT
Move The Wheel Foundation is a Non-Profit Educational Trust, registered under the AP Trusts Act, in Jan 2010.

VISION
To build an efficient, working framework where compassion and social responsibility can culminate into action, resulting in progress.

We focus on addressing situations where our efforts bear a direct impact on the children, to make our world a better place for them, today, tomorrow.

ACTIVITY
Adoption of the Govt School in Gowlidoddi was the highlight of the first year of operations of the Foundation.

With immense scope for improvement, the students, and staff of the Govt School can now look forward to a better schooling experience.

The framework involves members of the community to be able to spend time with the students in a fruitful way.

MISSION
To develop a workable education framework so that children can have access to not only quality Academic training, but also to community driven Enrichment Programs spanning the Cultural, Social & Ecological aspects of education.
FINANCIAL SUMMARY

Being forthright and open in all our monetary transactions is our way of saying Thanks to all our contributors, current and potential, who have invested trust and faith in us, in the activities and the cause of the Foundation.

On these lines of thought, we have put up, in detail, the contribution and expenditure breakup on our website www.movethewheel.org.

GET INVOLVED

We strongly suggest that you tap into the potential of your heart to reach out and help someone deserving. There is absolutely no denying the contentment we have felt while doing this.

SOMETHING SPECIFIC

The best kind of contribution is contribution in time. If you can, come to the school, interact with the children, guide the staff... be directly involved to see the change.

But, if you are looking to help out with any specific requirement, we have compiled here, a little wish list of our most desperate needs.
