Student Improvement

- The Academic Year 2012 - 2013 saw Student Enrollment of 350 students, up 15% from last year. We have also noticed an increase in the number of children who attend school Regularly.

- Our 4 dedicated motivated Staff Members led by Anjana were able to conduct successfully the Strong Foundations Program in Mat, Tel & Eng. Children from Class I, II & III learnt Letters & Numbers and are now able to randomly identify & write them in the correct writing conventions.

They have also shown and improvement in the Discipline, Handwriting, Vocabulary & Fine motor skills by drawing pictures for each letter, setting a stage for developing good Reading skills.

- Thanks to continuous efforts of Sunita & Brunda, the English & Telugu Reading Proficiency Program helped bring about an explosive improvement in the Reading, Comprehension & Expression skills of students in Class IV & V, while exposing them to Values & Moral Education.

- The English Language Bridge Program was a sincere attempt to bridge the Student Proficiency in the Eng language. It was full of challenges at both in terms of getting the students of Class VI & VII interested and the teachers effectively administering the course.

Infrastructure Development

- Synopsys & Incessant Technologies helped us with the School Repainting Project. Now the whole school is a bright blue outside, warm light orange inside, with colorful & fun pictures and letters painted all over.

Parental Involvement

- Though we are determined and preserving to increase the Parental involvement in the activities of the school, parents still only come in small numbers only when called for special events.

Staff Encouragement

- The number of Govt Teachers remained the same (3 members) and this year, our Monetary Incentives have helped support 6 Vidya Volunteers & 1 Aayammah.

In addition to this, thanks to United Care Developers, we were also able to support 4 Full Time Staff Members who were completely funded by the Foundation, bringing the overall Staff Strength from 9 School Staff Members last year to 14 this year.

- Classical Dance & Tae Kwon Do coaches were also our heroes, who came in regularly and made a grand difference in improving the child’s schooling experience.
THE STRONG FOUNDATIONS PROGRAM

This Program focusses exclusively on children in Class I, II & III.

The mission for this program is to make the children in lower grades self reliable by developing proper reading & writing skills so that they can handle the higher classes well.

They were taught basics in Telugu, English and Maths.

The program focused on
- Improving discipline in terms of health, hygiene, taking care of one’s belongings & not hurting each other
- Building Vocabulary
- Understanding and applying the correct Writing Conventions
- Improving focus and attention span through drawing and other activities like stories, songs & rhymes

**Eco Harmony**

2 months of composting at the school Compost Pit culminated with a 1 week Eco Week Celebrations. The *Consequences of our Actions* Presentation was presented to all classes and Class Discussions were conducted to stress the need to segregate waste and composting at home.

Compost was harvested and was mixed with the mud to plant seeds at school.

**ACHIEVEMENTS**

MTWF thanks Ms. Kaumudi & Ms. Madhulika for participating in the Eco Presentations and engaging the children in a delightful discussion about living an Eco-Friendly Life.
The Gift Compassion Project - Part I
The Joy of Giving Week that is celebrated during the first week every October was very special this year, thanks to participating in a wonderful initiative called the Gift Compassion Project.

All the children spent time in making thoughtful gifts, travelled to each other’s schools and experienced the joy of giving and the joy of bringing happiness to each other, no matter their economic backgrounds.

ACHIEVEMENTS

MTWF thanks Ms. Madhulika from Adhya Educational Society for inspiring and letting us be a part of this wonderful initiative.

MTWF also thanks The Future Kids School for being such wonderful partners & helping us with the transportation.

Special mention is made in appreciation of the wonderful children of The Future Kids School who were so friendly and graceful with their welcome.

They made us feel at home from the moment we stepped into the school.

They were such a supportive & an awesome audience for the children of Govt School.
